

RESPONSIBLE TOURISM FOR BARBADOS!!

On Friday September 8, 2006, leaders in our local and regional tourism industry came together at a high level breakfast forum, to pledge their commitment to addressing HIV/AIDS and Health & Wellness.

Following serious discussions and feedback, over 50 participants collectively produced their own heart felt pledge, stood and raised their hands uttering the following words in unison:

- *“I Solemnly pledge as a partner in the tourism sector, to take personal responsibility to act now to make a difference in the health and wellness and HIV and AIDS Experience. First for me, my family, my community and my business, to commit time, manpower, money and energy to make it happen and to initiate this in the next 90 days with the assistance of our partners.”*

THE TIME TO ACT IS NOW!

Patrons for the event were Sue Springer executive vice president of the BHTA and Peter Odle, president of the Caribbean Hotels Association. The forums was designed and planned by the Associates for International development (AIDInc), funded and initiated by the UK department for international development (DFID). The overall regional tourism project is being managed by the consortium of the ALLIANCE (Trinidad and UK), and AIDInc (Barbados)

*Warm thanks to those who attended:
