

**Ask Men...**

# The Great Male Lifestyle Survey (GMLS)

## WHAT IS THE GREAT MALE SURVEY?

- A grass-roots, community based interventional project

## WHAT IS THE PURPOSE ?

- To identify social & cultural factors contributing to health, quality of life and social interactions
- To assess the needs of males in the community
- To provide evidence for tailored men's programmes

## WHAT'S THE APPROACH?

- Community involvement and input at all stages of the process
- Active participation of men from all walks of life

## WHY THIS APPROACH?

- Give a voice to the community at large
- Encourage ownership of community programmes - This is about Men.. and for Men!
- To encourage men to share their views and participate in planning programmes for men!
- Participation and collaboration throughout the project stages
- To ensure high quality of Men's programmes

## WHO IS DOING THIS ?

- CHAT: Community Health Action Trust, Associates for International Development Inc.

## WHO ARE OUR PARTNERS?

- Our Technical Review Committee consists of the Ministry of Health, the Ministry of Social Transformation, Ministry of Labour, Ministry of Education, UWI, and the National HIV/AIDS Commission.
